Managing Meetings

Meetings do not always enjoy a particularly good reputation.

In many organisations they are notorious timewasters and are often unproductive.

The person leading the meeting can influence that reputation and ensure that meetings are productive and rewarding for the participants.

This 3 hour training course is aimed at developing the skills of those people in your organisation that need to lead meetings.

What will I learn?

LESSON 1

Consider whether a meeting is always the most appropriate means of communication.

LESSON 2

Provide focus for their meetings through the use of effective objectives and agendas.

LESSON 3

Control their meetings to ensure they are effective.

LESSON 4

Ensure that agreed actions are assigned and recorded.

LESSON 5

Close their meetings effectively.
