Confluence IN Action - User Training

Our training gives you the confidence to navigate Confluence with ease, and understand the different types of content you can create. We'll show you how to format content using the many macros Confluence provides, enabling you to make full use of all its rich wiki functionalities and become a fully-fledged Confluence contributor.

What will I learn?

LESSON 1

What's a wiki? Who can use it? Wiki concepts
Application fields – use cases General features Your
Confluence workspace

LESSON 2
